Weddings at Silverwood

The dream of local couple, Rod and Adelle Sim, for the past five years, Silverwood has been created to bring what the couple call “self-catering glamour” to the wedding market, with the very highest standard of accommodation available. They want wedding guests to kick back and enjoy comfort and relaxation as well as the wonderful celebration of a wedding.

One of the first couples to marry at a nearby Stately Home, Rod and Adelle realised that there was an urgent lack of luxury accommodation in the area and brought about their own plan to create Silverwood and run it together as a family business.

Set in secluded, private grounds, ideal for your “exclusive use” wedding, Silverwood is a luxurious, brand new wedding venue joining the marketplace. We offer you a truly beautiful and peaceful location in the picturesque Carse of Gowrie, together with an unrivalled opportunity to put your own mark on your wedding day.

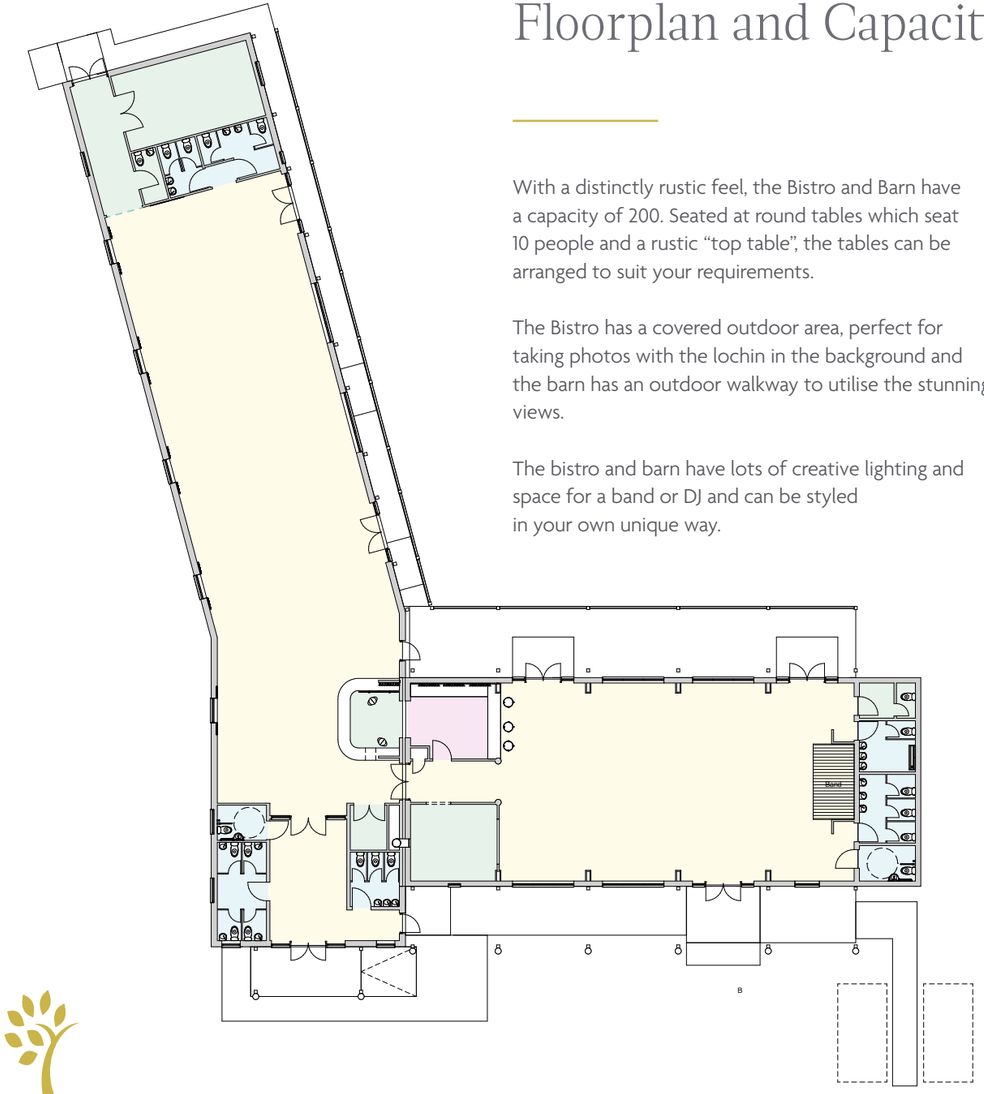
Ceremonies

Silverwood is suitable for all types of weddings whether religious or humanist.

Ceremonies may be held indoors in our Bistro Barn or outdoors at our purpose-built pagoda.

By choosing Silverwood as your venue, you can be safe in the knowledge that if the weather turns, then we can easily move your ceremony indoors on the day.

Floorplan and Capacity



With a distinctly rustic feel, the Bistro and Barn have a capacity of 200. Seated at round tables which seat 10 people and a rustic “top table”, the tables can be arranged to suit your requirements.

The Bistro has a covered outdoor area, perfect for taking photos with the lochin in the background and the barn has an outdoor walkway to utilise the stunning views.

The bistro and barn have lots of creative lighting and space for a band or DJ and can be styled in your own unique way.

Accommodation

With 19 lodges, sleeping up to 94 guests, Silverwood is the perfect way to truly enjoy your weekend without the stress of traveling to the venue and is ideal to make a weekend of your wedding.

The Lodges

9 x Family lodges with outdoor hot tubs (sleeps 6 people)
6 x Spa lodges with indoor jacuzzi spa baths (sleeps 4 people)
